Don Mitchell was born in Front Royal, Virginia on June 15, 1964. He is the son of Richard Mitchell and the now Carol Decker. His grandparents, of Heber City, are Lou and Shirley Brown. They keep busy with managing the Hilton Trailer Court.

Shortly after Don's birth, he and his family moved to the land of Zion here in Heber City, but before he was out of grade school, he had lived in California, Wyoming, Montana, and Indiana, as well as, several cities in Utah.

Heber was always his favorite, so Don gladly entered Junior High School in 7th grade. During Junior High & High School Don was very active. He served as Studentbody President of the Junior High in 9th grade and continued to hold many offices throughout High School, including Studentbody Vice-President and Seminary Vice-President. He competed in Forensics on the state level for two years, and found time for the school play his Senior year. He played JV football, but found he was better suited for running, so he switched his emphasis to track. He set the state record in the 400 meter dash his junior year and broke it again his senior year. It still stands, at least for the moment.

Throughout all this, Don worked part time and kept a 3.9 grade point average, which earned him a four year scholarship to B.Y.U. where he just finished his Freshman year.

Don has several varied hobbies, including comic book collecting and playing with computers. His plans for the immediate future include a mission for the Church, after which he hopes to graduate with a degree in Business Management from B.Y. U. or possibly the U. Of U.
